Dessel – Belgium, May 2nd 2010.

It's our pleasure to invite you all to come to Dessel - Belgium for the “**1st Open European Old School of BMX Championship**” and the “**International Champions Cup**” for Junior and Elite riders. We want you to celebrate together with us our 10 years anniversary of BMX 2000 DESSEL.

The town of Dessel is located in the north of Belgium about 12 km south-east of the city of Turnhout and just 10 min. from the border with the Netherlands. Dessel has a population of 9.000 people. You can find lots of woods, lakes around Dessel and it is known for the crossing of two water canals and the clearest white sand for making all kinds of glass. Dessel has several supermarkets, bakeries, pubs, restaurants etc.

Dessel is the hometown of the world famous hardrock music festival “Graspop Metal Meeting” and former 5 times World Champion motocross 500cc Joël Smets who is a proud board member of the organizing club, “Off-Road Club BMX 2000 DESSEL”.

BMX 2000 DESSEL has 130 licensed riders, 8 coaches and every week 3 days of training, 2 groups a night. Furthermore a mountain bike training and racing program for kids under 15 years off age.

Also an Old school bicycle show by several European collectors and individuals will be part of this celebration.
